

The Scranton Cultural Center Youth Theatre Program's Health and Safety Guidelines!

The health and safety of our students is very important to us. Here are the steps we are taking during this year's in-person camp sessions:

- ★ Students/ instructors will remain socially distant throughout the day and will remain masked at all times, except for lunch/ snack time during which every student will have adequate personal space to safely remove their masks.
- ★ Activity space and all camp materials will be sanitized before and after each use. Students will work with personal supplies, instead of shared materials and will be instructed to wash their hands and utilize our hand sanitizing stations regularly.
- ★ Our participant capacity for each session will be limited to ensure the comfort and ease of keeping our students/ instructors safe.
- ★ Our two age divisions will utilize separate entrances for drop-off/ pick up and will eat lunch at separate times to limit the number of people in a shared space.

Please feel free to contact us with any additional questions!
